PROFESSIONAL SUMMARY

Second-year B.Tech Computer Science and Engineering student at Chaitanya Deemed to be University with project experience building web applications and AI-powered tools using React.js, Node.js, Python, and Gemini API. Interested in software development and full-stack engineering, and seeking an internship to contribute to practical software projects.

TECHNICAL SKILLS

Languages: Python, JavaScript, C++

Frontend: React.js, HTML, CSS, Tailwind CSS

Backend: Node.js, Express.js

Databases: SQL, MongoDB

AI / LLM: Generative AI, Gemini API, LangChain, LangGraph, RAG, ChromaDB

Tools & Core: Vercel, Postman, Data Structures & Algorithms, OOP, DBMS

PROJECTS

AI Resume Analyzer & ATS Optimizer

React.js | Node.js | SQL | Google Gemini

- Built an AI-powered tool to review resume structure, content quality, and estimated ATS compatibility.
- Integrated Gemini API to suggest resume improvements and identify missing sections.
- Added job-description matching to highlight relevant keywords and skill gaps; used temporary file handling with cleanup.

GitHub: Repository | Live Demo: Open project

AI Interview Assistant

JavaScript | Python | Gemini API | LangChain | AssemblyAI | Murf AI

- Developed an interview platform that generates questions and provides AI-driven response feedback.
- Integrated AssemblyAI speech-to-text and Murf AI voice responses for voice-based interview practice.
- Implemented interview functionality and AI integrations using the listed technologies.

GitHub: Repository | Live Demo: Open project

Personal AI Financial Advisor

Python | Gradio | Gemini API | LangChain | LangGraph | ChromaDB | RAG

- Built an AI financial assistant with document retrieval and question answering using RAG, LangChain, and ChromaDB.
- Created LangGraph-based workflows for context-aware responses and integrated stock-market data for financial insights.

GitHub: Repository | Live Demo: Open project

EDUCATION

B.Tech, Computer Science and Engineering — NxtWave Institute of Advanced Technologies (NIAT), Chaitanya Deemed to be University | Expected 2029 | First-year CGPA: 9.63/10

Intermediate (12th) — Sri Chaitanya College | 2025 | 98.3%

Class 10 — Sri Chaitanya School | 2023 | 97.8%

CERTIFICATIONS

Certificate of Training Completion in Artificial Intelligence — Acmegrade

ACHIEVEMENTS / EXTRACURRICULAR ACTIVITIES

- Solved 150+ Data Structures and Algorithms problems on LeetCode.
- Received a Build To Ship hackathon participation certificate from NxtWave Institution of Innovation Technology (NIAT).
- Achieved first-year B.Tech CGPA of 9.63/10.
